# **ICHOM Conference Barcelona 2020**

#### Patient-Centred Healthcare and the Value Based Approach

Making Change Happen

## Investigating \*Implementing \* Benchmarking \* Achieving Results

The ICHOM Conference 2020 offers a programme to support your journey to delivering Patient-Centred Value Based Health Care – from investigating to implementing and from benchmarking to achieving results.

Attend for valuable content and benefit from the experience of our international speaker faculty, who are leaders in delivering improved patient outcomes, transformational change and quality improvement within the healthcare ecosystem.

#### Day 1: Monday 18 May 2020

14:00 – 16:00	Site visits – Details TBC. Limited capacity.
17:30 – 19:30	Drinks Reception – Details TBC. Limited capacity.

#### Day 2: Tuesday 19 May 2020

Opening remarks   Opening remarks   Welcome to Region/Country   Opening remarks   Welcome to Region/Country   Opening remarks   Welcome to Region/Country   Opening Reynote — to be announced   Patient Empowerment and the Lived Experience   Making the Patient Central to Healthcare System Transformation   10:30 — 10:30   Morning Refreshments — Exhibition Open   Overcoming Refreshments — Overcom	07:30 – 09:00	Registration, refreshments and Exhibition Open
09:00 − 09:20 Welcome to Region/Country 09:20 − 09:40 Opening Keynote − to be announced 09:40 − 10:00 Patient Empowerment and the Lived Experience 10:00 − 10:30 Making the Patient Central to Healthcare System Transformation 10:30 − 11:00 Morning Refreshments − Exhibition Open  11:00 − 12:00 Plenary (Auditorium): Making the Patient central to Outcomes Measurement and Reimbursement  11:00 − 11:30 Overcoming financial and system wide barriers affecting the patient centred approach to healthcare 11:30 − 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes) 12:20 − 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 − 14:00 Lunch − Exhibition Open  14:00 − 16:00 Concurrent Streams: Making the Patient Central − from Small Scale Pilot to Global Collaboration and Impact  14:00 − 16:00 Stream 1 − Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 − 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 − 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 − 16:00 Workshop 3: Workshop to be confirmed> 14:00 − 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 − 16:00 Stream 2 − Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 − 16:00 Stream 3 − Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 − 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 − 15:00 Standard Set Development - Opportunities and Guidance	08:50 - 10:30	Plenary (Auditorium): Making the Patient central to Healthcare System Transformation
09:00 − 09:20 Welcome to Region/Country 09:20 − 09:40 Opening Keynote − to be announced 09:40 − 10:00 Patient Empowerment and the Lived Experience 10:00 − 10:30 Making the Patient Central to Healthcare System Transformation 10:30 − 11:00 Morning Refreshments − Exhibition Open  11:00 − 12:00 Plenary (Auditorium): Making the Patient central to Outcomes Measurement and Reimbursement  11:00 − 11:30 Overcoming financial and system wide barriers affecting the patient centred approach to healthcare 11:30 − 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes) 12:20 − 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 − 14:00 Lunch − Exhibition Open  14:00 − 16:00 Concurrent Streams: Making the Patient Central − from Small Scale Pilot to Global Collaboration and Impact  14:00 − 16:00 Stream 1 − Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 − 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 − 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 − 16:00 Workshop 3: Workshop to be confirmed> 14:00 − 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 − 16:00 Stream 2 − Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 − 16:00 Stream 3 − Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 − 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 − 15:00 Standard Set Development - Opportunities and Guidance	08:50 – 09:00	Opening remarks
09:20 − 09:40  09:40 − 10:00  Patient Empowerment and the Lived Experience 10:00 − 10:30  Making the Patient Central to Healthcare System Transformation 10:30 − 11:00  Morning Refreshments − Exhibition Open  11:00 − 12:00  Plenary (Auditorium): Making the Patient central to Outcomes Measurement and Reimbursement  11:00 − 11:30  Overcoming financial and system wide barriers affecting the patient centred approach to healthcare 11:30 − 12:20  Working in partnership to deliver effective outcomes-based procurement (value-based outcomes) 12:20 − 12:50  Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 − 14:00  Lunch − Exhibition Open  14:00 − 16:00  Concurrent Streams: Making the Patient Central − from Small Scale Pilot to Global Collaboration and Impact  14:00 − 16:00  Stream 1 − Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 − 16:00  Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 − 16:00  Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries  Workshop 3: < Workshop to be confirmed>  Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 − 16:00  Stream 2 − Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 − 16:00  Stream 3 − Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 − 16:00  Investigating VBHC, the ICHOM Methodology and Standard Sets  14:00 − 16:00  Stream 3 − Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 − 16:00  Stream 3 − Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale		
09:40 – 10:00 Patient Empowerment and the Lived Experience 10:30 – 10:30 Making the Patient Central to Healthcare System Transformation 10:30 – 11:00 Morning Refreshments – Exhibition Open  11:00 – 12:00 Plenary (Auditorium): Making the Patient central to Outcomes Measurement and Reimbursement  11:00 – 11:30 Overcoming financial and system wide barriers affecting the patient centred approach to healthcare 11:30 – 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes) 12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 – 14:00 Lunch – Exhibition Open  14:00 – 16:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 – 16:00 Workshop 3: : Workshop to be confirmed> 14:00 – 16:00 Workshop 3: : Workshop to be confirmed> 14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 16:00 Investigating VBHC, the ICHOM Methodology and Standard Sets  Standard Set Development - Opportunities and Guidance	09:20 - 09:40	
10:30 – 11:00 Morning Refreshments – Exhibition Open  11:00 – 12:00 Plenary (Auditorium): Making the Patient central to Outcomes Measurement and Reimbursement  11:00 – 11:30 Overcoming financial and system wide barriers affecting the patient centred approach to healthcare  11:30 – 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes)  12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care  13:00 – 14:00 Lunch – Exhibition Open  14:00 – 16:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System  14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries  14:00 – 16:00 Workshop 3: «Workshop to be confirmed>  14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 16:00 Investigating VBHC, the ICHOM Methodology and Standard Sets  14:00 – 15:00 Standard Set Development - Opportunities and Guidance	09:40 - 10:00	
11:00 – 12:00 Plenary (Auditorium): Making the Patient central to Outcomes Measurement and Reimbursement  11:00 – 11:30 Overcoming financial and system wide barriers affecting the patient centred approach to healthcare  11:30 – 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes)  12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care  13:00 – 14:00 Lunch – Exhibition Open  14:00 – 16:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System  14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries  14:00 – 16:00 Workshop 3: <workshop be="" confirmed="" to="">  14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations:  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets  14:30 – 15:00 Standard Set Development - Opportunities and Guidance</workshop>	10:00 - 10:30	Making the Patient Central to Healthcare System Transformation
11:00 – 11:30 Overcoming financial and system wide barriers affecting the patient centred approach to healthcare 11:30 – 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes) 12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 – 14:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 – 16:00 Workshop 3: «Workshop to be confirmed> Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance	10:30 – 11:00	Morning Refreshments – Exhibition Open
11:30 – 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes) 12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 – 14:00 Lunch – Exhibition Open  14:00 – 16:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 – 16:00 Workshop 3: <workshop be="" confirmed="" to=""> 14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance</workshop>	11:00 – 12:00	Plenary (Auditorium): Making the Patient central to Outcomes Measurement and Reimbursement
11:30 – 12:20 Working in partnership to deliver effective outcomes-based procurement (value-based outcomes) 12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 – 14:00 Lunch – Exhibition Open  14:00 – 16:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 – 16:00 Workshop 3: <workshop be="" confirmed="" to=""> 14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance</workshop>	11:00 - 11:30	Overcoming financial and system wide barriers affecting the patient centred approach to healthcare
12:20 – 12:50 Examining France's National Outcomes Based Payment Contract utilising the ICHOM Standard Set for Cataract Care 13:00 – 14:00 Lunch – Exhibition Open  14:00 – 16:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 – 16:00 Workshop 3: <workshop be="" confirmed="" to=""> 14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets Standard Set Development - Opportunities and Guidance</workshop>	11:30 - 12:20	
14:00 – 16:00 Concurrent Streams: Making the Patient Central – from Small Scale Pilot to Global Collaboration and Impact  14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System  14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries  14:00 – 16:00 Workshop 3: <workshop be="" confirmed="" to="">  14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets  14:30 – 15:00 Standard Set Development - Opportunities and Guidance</workshop>	12:20 - 12:50	
14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 – 16:00 Workshop 3: <workshop be="" confirmed="" to=""> 14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance</workshop>	13:00 - 14:00	Lunch – Exhibition Open
14:00 – 16:00 Stream 1 – Workshops: In-depth, interactive sessions focused on the 'How to' from steps to building a VBHC System, to a Community of Practice in LMICs to Working in Partnership and Collaboration  14:00 – 16:00 Workshop 1: Determining the steps required to build an effective Value Based Healthcare System 14:00 – 16:00 Workshop 2: Building a Community of Practice in Low- and Middle-Income Countries 14:00 – 16:00 Workshop 3: <workshop be="" confirmed="" to=""> 14:00 – 16:00 Workshop 4: Managing the Transformational Change Program required for VBHC Implementation  14:00 – 16:00 Stream 2 – Poster Presentations: This session is an opportunity for 10 Research Abstracts to be presented, all to be selected by the Judging Panel  14:00 – 16:00 Stream 3 – Education Stream: Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance</workshop>	14.00 16.00	Consument Chromes Maling the Detical Control from Conduct Color Dilette Clabel College and Investigation

by the Judging Panel  14:00 – 16:00 Stream 3 – <u>Education Stream:</u> Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance	14:00 - 16:00	Workshop 4: Managing the Transformational Change Program required for VBHC Implementation
by the Judging Panel  14:00 – 16:00 Stream 3 – <u>Education Stream:</u> Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance	14.00 16.00	Stroom 2. Destay Dyscentations: This session is an appartupity for 10 Descends Abstracts to be presented all to be selected
14:00 – 16:00 Stream 3 – <u>Education Stream:</u> Learn about Value Based Healthcare Practice, Where to Start and How to Scale  14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance	14.00 – 16.00	
14:00 – 14:30 Investigating VBHC, the ICHOM Methodology and Standard Sets 14:30 – 15:00 Standard Set Development - Opportunities and Guidance		by the Jauging Funci
14:30 – 15:00 Standard Set Development - Opportunities and Guidance	14:00 - 16:00	Stream 3 – <u>Education Stream:</u> Learn about Value Based Healthcare Practice, Where to Start and How to Scale
14:30 – 15:00 Standard Set Development - Opportunities and Guidance	14:00 – 14:30	Investigating VBHC the ICHOM Methodology and Standard Sets
·		<u> </u>
mile and a series of the series	15:00 – 16:00	Implementation of VBHC utilising the ICHOM Standard Sets

14:00 – 15:45	Stream 4 – <u>Data Stream:</u> Learn about the ICHOM Standardisation Project, the Harmonised Term Bank and gather practical advice on deployment into local systems. Includes time to trouble shoot with experts
14:00 - 14:15 14:15 - 14:45 14:45 - 15:00 15:00 - 15:30 15:30 - 15:45	The ICHOM Harmonisation Project Introduction to Clinical Information Modelling Localising the ICHOM Global Outcomes Standard Demonstrating the ICHOM Harmonised Term Bank A Practical Approach to Localisation
14:00 – 16:00	Stream 5 – <u>Standard Sets Development Stream:</u> Learn about the Global and Collaborative Approach taken to developing Standard Sets, their Stages of Development, their Progress on Implementation and Shared Decision Making
14:00 - 14:15	Development of the ICHOM standard set for Overall Adult Health
14:15 - 14:30	Coronary Artery Disease Standard Set Implementation in the Central Finland Healthcare District
14:30 - 14:45	Implementation of the Pregnancy and Childbirth Standard Set for Shared Decision Making in the Netherlands
14:45 - 15:00	Overall Paediatric Health Standard Set Launch
15:00 - 15:15	An Innovative Approach to Creating an ICHOM Standard Set: The Design and Principles of the ICHOM Hand and Wrist Standard
	Set and an Example of Successful Implementation
15:15 - 15:30	Evolution and iterative improvement of the Standard Set for cleft lip/palate, and development of a related community for
	implementation, collaborative quality-improvement, and research
15:30 - 15:45	Breast Cancer PROMs post-All.Can
15:45 - 16:00	The International Consortium for Health Outcomes Measurement, Psychotic DisordersStandard Set of Patient Reported Outcomes
16:00 – 16:30	Afternoon refreshments – Exhibition open
16:30 - 18:00	Closing plenary (Auditorium): Achieving Results and Driving Continuous Improvement
16:30 – 17:30	VBHC – Examining the VBHC Pioneers and how they are driving continuous improvement
17:30 – 18:00	ICHOM in 2020 and Beyond
19:30 – Late	Gala Dinner Event. Limited Capacity. Ticket only.

### Day 3: Wednesday 20 May 2020

07:45 – 09:00	Registration, refreshments and Exhibition Open
08:00 - 09:00	Breakfast Briefings
08:00 - 09:00	Briefing 1: Exploring a generic implementation of ICHOM Standard Sets in the European Health Data and Evidence Network (EHDEN)
08:00 - 09:00	Briefing 2: TDABC: Time Driven Activity Based Costing
08:00 - 09:00	Briefing 3: Analysing India's Leapfrog to Value Based Healthcare
09:15 – 11:15	Plenary (Auditorium): Implementing, benchmarking and achieving results
09:15 – 09:25	Welcome
09:25 - 09:55	Analysing the clinical challenges of Standard Set Implementation
09:55 - 10:15	Driving Continuous Improvement in VBHC at the Cleveland Clinic
10:15 - 10:25	Case Study: NHS Wales
10:25 - 10:35	Case Study: Real life examples of VBHC in action at Santeon & How Shared Decision Making is essential to VBHC
10:35 – 10:45	Case Study: Implementation of Value-Based Healthcare using ICHOM standards at Vall d'Hebron Barcelona Hospital Campus
10:45 – 10:55	Case Study: King Saud University Medical City, Riyadh, Saudi Arabia
10:55 – 11:05	Case Study: Coronary Artery Disease Standard Set Implementation in the Central Finland Healthcare District
11:05 – 11:15	Value Based Healthcare Centre Europe Speech and Prize Winner Announcement
11:15 – 11:45	Morning Refreshments – Exhibition Open

11:45 – 13:45	Concurrent Streams
11:45 – 13:45	Stream 1 – <u>News Briefings</u>
11:45 – 12:45	Briefing 1: The PaRIS project: Patient Reported Outcome Measurement beyond the hospital setting
12:45 – 13:45	Briefing 2: PROM capture – from manual to automatic
11:45 – 13:45	Stream 2 – <i>Implementation Stream (Call for Papers):</i> This stream has been developed exclusively from our Call for Papers and will showcase real world case study examples of implementation of VBHC utilising the ICHOM methodology and Standard Sets.
11:45 – 12:00	Best practice VBHC implementation
12:00 - 12:15	Time-driven activity-based costing analysis of knee osteoarthrosis surgery using ICHOM standard set: a comparative study
	between two hospitals
12:15 - 12:30	Patient experience as the key for designing healthcare paths for a Value-Based healthcare
12:30 - 12:45	Using Patient-Reported Outcomes in Real-Time Shared Decision-Making How to Activate Data in Value-Based Healthcare
12:45 – 13:00	Global variations in treatment decisions among men with localized prostate cancer: Patterns of care in 15,718 men from 9
12.00 12.15	countries
13:00 – 13:15 11:45 – 12:00	Recruiting colleagues to the system change agenda
11:45 – 12:00 12:00 – 12:15	Implementing ICHOM standards as a part of a strategy to reduce recurrences in patients with heart failure Improving Outcomes in South African Maternity Services
12:15 – 12:30	Implementation of Value Based Health Care framework and ICHOM Oral Health Standard Set at Dental Health Services Victoria
12:30 – 12:45	PROMoting Quality - Intersectoral use of PROMs to increase the patient-relevant quality of results
12:45 – 13:00	Patients Redefining Health Care in Canada: The Journey Begins
13:00 – 13:15	In-hospital predictors of 90 days-PROMS in acute stroke patients
11:45 – 13:45	Stream 3 – <u>Concurrent Implementation Workshops – How we did it:</u> Choose one from a selection of 2-hour sessions that provide much more thorough, interactive and in-depth detail from the earlier Case Study plenary sessions.
11:45 – 13:45	Workshop 1: The Value Based Healthcare Approach in Wales
11:45 - 13:45	Workshop 2: European Hospital Alliance Blueprint for VBHC Implementation
11:45 - 13:45	Workshop 3: A Methodology to enable cultural change for Value Based Healthcare implementation in Vall d'Hebron Hospital
11:45 – 13:45	Workshop 4: <b>The Value Based Healthcare Approach in King Saud University Medical City, Riyadh, Saudi Arabia</b>
11:45 – 13:45	Workshop 5: The Value Based Healthcare Approach at Santeon
14:00 – 14:30	Closing plenary (Exhibition Hall)
14:00 – 14:30	It's a wrapbut what comes next?
14:30 – 15:00	Take-Away Lunch
15:00 – 15:30	Depart for Site Visits or Home

Caveat: Please note that times, session titles, topic titles and speakers are all potentially subject to slight revision or change. There may be future additions to and/or omissions from the program.
