

Agenda

9.00 – 9.30:

Arrival with coffee & tea

9.30 – 10.00:

Introduction to OLVG, our stroke care and the methodology, programs, and vision of Santeon.

10.00 – 12.00:

Two rounds of exploring our Value-Based Healthcare initiatives in stroke care. Choose from the following topics:

- Trombolyse drill
- Virtual ward stroke in our Stroke Network Amsterdam
- Shared Decision making in Stroke care in the acute phase
- Hybrid care for minor stroke and TIA patients
- How do we use the stroke data in our Health Intelligence Platform Santeon
- Visit the Neuro Care Unit

12:00 – 13:00:

Lunch and Panel Discussion: Engage directly with healthcare professionals and Santeon representatives on the topics most relevant to you.
