

Address: Koekoekslaan 1 3435 CM Nieuwegein

Welcome Guests - 09.00 CET

Whether traveling by car or public transport, we recommend factoring in an additional 30 minutes for potential delays—either due to traffic or the time needed to transfer from the parking garage or between public transport connections.

By public transport to St. Antonius Hospital Nieuwegein

To get to our hospital you can use public transport. For current public transport travel information and timetables we refer you to the websites of the regional carriers U-OV([opens in a new tab](#)) or Syntus([opens in a new tab](#)). You can also look at www.9292.nl([opens in a new tab](#)), the NS travel planner([opens in a new tab](#)) or call 0900-9292 (€0.90 p/m, max. €18.00). It is best to use 'St. Antonius Hospital' as a search term instead of 'Sint Antonius Hospital.'

By car to St. Antonius Hospital Nieuwegein

From 9 August to October there will be road works on the A2 in both directions between 's-Hertogenbosch and Utrecht. The works will be carried out between the Oudenrijn and Everdingen junctions. As a result, there will be weekend closures, night closures and on a number of weekdays there will only be a limited number of lanes available. Please take this into account when visiting our locations in Utrecht and Nieuwegein. For more information, visit the Rijkswaterstaat website([opens in a new tab](#)). Or plan your route via [vanAanarBeter](#)([opens in a new tab](#)).

Parking

You cannot park in the Q-Park parking garage next to the hospital in Nieuwegein. You can park your car near the hospital in the parking garage Theater ([opens in a new tab](#)) (Nachtwachtstede 3431 HL Nieuwegein) or parking garage City Hall([opens in a new tab](#)) (Tinnegieterstede 1 3431 HW Nieuwegein). We ask you to make use of this and not to park in the area.

Walking from the parking garages to the hospital takes about 10 minutes. On the map([opens in a new tab](#)) you will find more information about the walking route.

Free shuttle buses run every 6 minutes on weekdays from the Theater parking garage([opens in a new tab](#)) and parking garage City Hall([opens in a new tab](#)) to and from the hospital. The shuttle bus depot is at Schakelstede near the police station. The shuttle bus runs between 06:30 and 21:00 and leaves every 6 minutes. A wheelchair-accessible shuttle bus leaves every 12 minutes. Please allow approximately 15 minutes extra travel time.

By taxi to St. Antonius Hospital Nieuwegein

If you come to the hospital by taxi , you can get out right in front of the main entrance of the hospital. You enter the hospital through the revolving door. If you walk out of this corridor, you

will come to the reception and the corridor where the outpatient clinics are located.
